July 22/13

To the Worshipful County Court of the County in Chancery
Sitting.

The answer of Job Colson, Thomas Colson, Flora Colson, Elizabeth Colson, and Timothy A. Colson by Henry P. Morgan, their Guardian ad litem, to a Bill filed in the Worshipful Court against the wards and others by Robert Atkinson respectfully represents That having and reserving to his said wards the benefit of all proper and legal exceptions to said Bill for answer thereto saith, that his said wards are of young and of tender years, and as such are the peculiar objects of the Guardian care and protection of Courts of Equity, and this respondent therefore submits to your Honors' Custody all the rights, and pecuniary benefits interest of his said wards in the subject matter of this suit.

This respondent knows nothing of himself, nor has he been informed by his said wards or others, of the outstanding debts ^{alleged to be} due and owing by the estate of William E. Colson to the plaintiff and others, except what he has learned by being Clerk of the Circuit and County Court of said County.

For the protection of the interest of these wards this respondent insists that all parties and persons claiming to be creditors of the said William E. Colson should be held to strict and legal proof of their respective claims and demands Should the assets of the personal estate of said William E. Colson dec'd, in the hands of defendant Ott, prove to be insufficient to pay off and discharge the outstanding debts against said estate, then this respondent knows of nothing which he can allege in delay of the plaintiffs right to have the land in the Bill mentioned sold or so much thereof as is necessary for the payment of his claim, and such other outstanding debts as may be

legally established. And having now answered to
the plaintiffs Bill as fully as is deemed material
your respondent prays that his said Ward may be
hence dismissed of costs.

○ This cause came on again to be further heard this 19th day of October 1870 upon the papers formerly read in the cause and the reports of James H. Orr the Special Commissioner appointed by this court at a former term to sell the lands in the bill mentioned belonging to the Estate of William E. Calson deceased, & filed among the papers of the cause on the 10th day of May 1870, and the Supplemental report of David Miller made in pursuance of a decree in this cause entered at the last April Term requiring him to hear proof of and report to the court any additional outstanding debts against the estate of William E. Calson and that therefore & reported by Com^r Morgan hearing date Sep 19th 1870 and filed among the papers of this cause on that day and was argued by Counsel. On consideration whereof the said two reports herein referred to, being unexcepted to, are by the court confirmed, And it appearing to the court from the report of Com^r Orr that a part of the purchase money for which said land sold has become due and payable, It is therefore further adjudged ordered and decreed that the said Orr Com^r as aforesaid do proceed to collect the money now due him as Com^r as part of the purchase money of the land of his intestate sold by him on the 5th day of March 1870 and that he also collect the residue of said purchase money so soon as the same shall become due and payable, But before proceeding so to do he is required to enter into bond before the clerk of this court with approved security in the penalty of \$3254⁰⁰ conditions according to law And it further appearing to the court from the reports of said Com^r & Orr that the sum to be realized from the sale of said land, and the personal assets in his hands as adm^r of William E. Calson together with the probable

Sum to be realized from the sale of the said William E. Colson, will be insufficient to pay of and discharge all the liabilities of said William E. Colson. And it further appearing that there are specific and paramount liens upon the proceeds of the sales of said real estate which are intitled to full satisfaction out of said fund. It is further adjudged and ordered that said Orr Com^r as aforesaid do pay out of the proceeds of said real estate after retaining his commission, First the costs of this suit. Secondly the fine and costs due the Commonwealth, the claim due Thomas J. Brown for an unpaid balance of executions in favor of H. M. Ely, and a judgment in favor of Hiram Hoskins for the benefit of David Chadwell with the interest on the latter two designated in exhibit (A. D.) with Com^r Morgan's report and and thirdly upon all other debts ratably interest and insured therein T. B. & Co. And it more over appearing to the court from Statements (A. B.) of the account of the debt Orr as adm^r of William E. Colson died filed with said Morgan's Report. That there is in the hands of said Orr as adm^r aforesaid of personal assets the sum of \$94.97 with interest on \$175.03 thereof from the first day of January 1870. And no priorities are shown to exist thereon. It is further ordered and decreed that said Orr discharge himself from this liability by paying out to each creditor of his intestate ratably upon their respective debts. And the said Orr is further directed to proceed to collect from James B. Colson Surviving adm^r of John Colson deceased, his intestate distributive share of the personal estate of said John Colson died. And he will apply the proceeds arising from this source in the same manner as the fund in his own hands; And he will make report from time to time of his proceedings. And the cause is continued.

vs.
James H. Orr admr. & et als Defendants } In Chancery.

To The Worshipful County Court of Lee County in
Chancery Sitting :-

On the 19th day of January 1869 a Decree
was entered in the above cause directing the sub-
scriber, as a Commissioner in this Court, to perform
certain duties therein set forth, which I have accord-
ingly done, and to explain the manner in
which I have discharged the same, the following
Report is submitted for your Worship's consideration.
William E. Colson departed this life (probably
during the year 1863) Intestate, and up to the 18th
day of June 1866 no person having made applica-
tion for administration upon his Estate, the same was,
by the County Court, on that day, committed to the
defendant J. H. Orr, as Sheriff of Lee County, who
on the 28th day of July thereafter made sale
of his Intestates' personal Estate on a credit of
twelve months, which sale amounted in the
aggregate to \$105. 15 - The Sale Bill of which
personal Estate is herewith filed marked (A)

During the fall of 1866 the said admr. also
sold some rent^{corn} raised upon his Intestates' land
during that year, for which he realized \$11. 15
he also rented his intestates' land for the year
1867 du-- January 1st 1868, for which he

realized the sum of \$131.⁰⁰.

For the year 1868 said admr. again rented his Intestate's land for which he realized the sum of \$88.⁰³ He also collected in two actions at law the sum of \$5.⁰⁰ in the way of attorney's fees, which is credit to him among other fees of a like character in Voucher No. 13. He has also rented his Intestate's land for the year 1869 due Jan'y 1st 1870, ^{for which he is to realize the sum of \$184.⁰⁰} and these items constitute the entire Debits of said Br as admr. of William C. Colson, and from this data I have prepared a statement of his administration account, and the same is filed herewith marked (A.B) as a part of this Report.

The said account consists of three annual statements, the first made as of January 1st 1868, the second as of January 1st 1869, and the third and last as of January 1st 1870. I made the first as of its date for convenience, by charging the said admr. with the amount of his Sale-Bill and with interest thereon from the 28th day of July 1867 - that being the time at which the proceeds of said Sale-Bill became due - to the first day of January 1868, to which I added the proceeds of the rent-corn for the year 1866, and the rent of Intestate's land for the year 1867, making in the aggregate \$247.³⁰ exclusive of interest. I then gave him credit for 10 per cent Commission thereon, and for all disbursements paid by him for taxes, fees, bills, and funeral expenses of his intestate from the time said estate was committed to him to the 1st day of January 1868, the aggregate of which disbursements, being deducted from the Debits left in said admr's hands of Principal Money, the sum of \$195.⁷⁷ on the

first day of January 1868.

In the second annual statement I charged him with said sum of \$195.77 on hand at the end of the previous year and with one year's interest thereon, to which I added the rents of the lands for the year 1868 due the 1st day of January 1869 amounting to \$80.23 and to \$5.52 rec'd as attorney's fees in the said two suits, making his debits at the end of the second year amount to \$280.77, exclusive of interest. I then gave him credit for taxes paid by him on his Intestates Estate, for Fee Bill due the clerk of the Circuit and County Courts of this County and paid by him, for attorney's fees paid Mr. B. W. Lane, Stagan & Pridemore, and Campbell & Hume, and \$52.15 paid J. M. Wheeler for repairs on Intestates farm during the year 1868, and \$7.50 paid Elizabeth Hill likewise for repairs on said farm for the same year, which several disbursements being deducted from the debits of this year leaves the sum of \$93.07 in the hands of said admr. unaccounted for on the 1st day of January 1869.

In the third and last statement made as of January the 1st 1870, I charged the said admr. with the said \$93.07 unaccounted for at the end of the previous year, and with one year's interest thereon. And the said admr. having rented his intestates land for the year 1869 in conformity to a Decree entered in this cause in January last, for which he is to realize \$104.00 due the 1st day of January 1870.

This latter sum I also charged to him in said last statement, making his entire debits for that year amount to \$197.07 exclusive of interest. I then

gave him credit for 10 percent ^{commission} ~~for~~ the amount of his Receipts of \$80.⁰⁰ omitted in the previous annual statement to be credited to him, and for 10 per cent Commission on the amount of his Receipts for rent for the year 1869, and for another Free-Bill due the Clerk of the Circuit Court of \$3.54, which being deducted from this year's Debits leaves the sum of \$175.03 of Principal money yet to be accounted for by the admr. with interest after January 1st 1870. And the interest which has accumulated upon the annual balances, in the aggregate to \$19.94 Principal and Interest to \$194.97 which may be regarded as an available fund for the payment of outstanding debts against said intestate unless it should turn out, as it probably will, that there will be some expenses in the nature of repairs yet to be brought forward in the present year's renting, and if such should be the case then such expenses must be deducted from the sum found in said admr's hands as aforesaid, to the extent of said repairs. Thus, it will be observed that I have given said admr. a credit of 10 per cent Commission upon the amount ~~which~~ has passed thro' his hands. I have done so first, because the personal estate was a small one, and the debts due the same small and somewhat scattering; and secondly because this intestate was a good deal involved, and his admr. a good deal harassed with law suits; and thirdly, because the administration of this estate was forced upon him by virtue of his office of Sheriff, and not of his own seeking.

It may not be inappropriate here to remark that a number of persons instituted suit against this administrator which he was forced to defend to protect his Intestates Estate, and in doing so he has spent about \$125.⁰⁰ of his Intestates money in paying Counsel for his defense, Clerks Fee - Bills &c. He has paid M. B. D. Lane \$37.⁰⁰ as attorney's Fees, to Hagan & Bridemore \$15.⁰⁰ for defending him at the suit of Robert Stenson, and to Campbell & Humes \$54.50 for defending him in a Chancery suit instituted by John Colson, James F. Snelling and others against him and others.

The said William E. Colson, in his lifetime and his Brother James B. Colson were admrs of their father John Colson dec'd. Since the death of the former suit was instituted in the Circuit Court of this County by John Colson, James F. Snelling and others against James B. Colson, surviving admr. and others, one of the objects of which was to obtain a settlement of the administration account of said James B. Colson, admr. of John Colson dec'd, which object has been attained, for on the 30th day of April 1869 a Decree was entered in said suit confirming an account taken and stated by the subscriber therein, and a Decree rendered against the said James B. Colson as such admr. for \$1670.⁰⁰, with interest thereon from the 30th day of April 1869 till paid as and for the fund in his hands as such admr. Now, if the assets in said admr's hands making up this sum, should prove to be solvent and no other demands be against the estate of the

said John Colson, then said \$1670.22, together with \$170.53 already paid out by the said James B. Colson in distribution will constitute a fund to be divided equally between the estate of said William E. Colson and his brothers and sisters or to the children of such of his brothers and sisters as may have died. I am not certain how many brothers and sisters the said William E. Colson had, but from the amended Bill filed in said Chancery ^{cause} by James F. Snelling and others, I am led to conclude that the children of John Colson &c. dec'd were nine in number as follows, to wit: Henry Colson, John O. Colson, Thomas Colson, David Colson, Howell Colson, Anna Colson, James B. Colson, William E. Colson, and Mary; who intermarried with Meritt Percival Now, if I am correct in this conclusion, then it follows that of the \$170.53 already paid out in distribution by said James B. Colson, and the \$1670.22 in his hands yet to be distributed, the share of the said William E. Colson will be \$204.52 $\frac{7}{9}$. Should this sum be realized to his estate, then that sum may be added to the fund in said Orr's hands and together they will make a total sum of \$399.49 for the payment of outstanding debts against the estate of the said William E., and at the foot of said statements (A B) of the Administration account I have prepared a special statement, shewing this result and with said statement I have also filed the vouchers for all credits allowed therein, marked

as in the margin from 1 to 19 inclusive, and with said vouchers I have also filed the sale and appraisement Bills of said estate. This, for the present, disposes of the administration account of said James M. Orr, deceased aforesaid. Next in order is the convening of his creditors, and to that end I, on the 14th day of May 1869, prepared notices setting forth that on the 15th day of June, at my office in Jonesville, I would proceed to execute the duties imposed upon me by the decree entered in this cause on the 19th day of January last, the original of which is herewith filed marked (A.C) a copy thereof I posted at the Court House door, another copy I caused to be posted at the Store House of "Daugherty & Beatty" at Rose Hill another at the Store House of "Ewing & Richmond" a fourth at the Store House of "Ball & Wheeler" and a fifth at Cumberland Gap. And having thus notified all concerned, I proceeded on said 15th day of June and subsequently to the 10th of July thereafter to state the administration account before referred to, and to convene the creditors of said estate, who were quite numerous & the principal part of whom were judgment creditors; whose judgments are of record in the clerk's office of this County; and from this source together with the other evidence of debt produced before me, I have prepared a statement of the outstanding debts against said estate, and the same is filed herewith as a part of this report marked (A.D) This statement shows the names of the individual cred

itors, the amount of their respective claims, the date from which they respectively bear interest, the amount of the interest which has accrued upon them respectively to the 1st day of January 1869, and in case of judgments the amount of costs incurred by the plaintiffs in obtaining said judgments, and copies of which judgments together with the other evidences of debt are filed with said statement (AD) marked as in the margin therein A, B, C, D, E, F, G, H, I, J, K, L, M, O, P, Q, R, S, T, U, V

The one marked (A) is a judgment obtained in the County Court on the 16th day of March 1863 by the Commonwealth against William E. Colson for \$60.00 for a fine imposed upon him for selling ardent spirits contrary to law, and the costs amounting to \$16.18. This judgment is, therefore, a paramount lien upon the real estate of the said William E. Colson.

During the years 1859 or 1860 Andrew M. Ely & Co obtained against William E. Colson three several judgments on which executions issued, which were levied, bond given, and forfeited, and judgments obtained thereon and upon which executions again issued, which were placed in the hands of Thomas J. Brown, Deputy Sheriff.

These three executions to the 15th day of July 1863 amounted in the aggregate - principal, interest, and cost - to \$207.69, upon this last mentioned day the said William E. Colson paid to said Brown \$185.00 which money was paid by the said Brown to the said A. M. Ely & Co, being the principal, interest, Clerk's Cost & Attorney's

Fees, leaving a balance upon said Judgments & Executions of \$22.69 on the 15th day of July 1863 as cost due the said Brown. A statement and calculation of these three Judgments is allowed in said statement & is filed therewith enclosing the said three Executions marked therein (B).

The one marked (C) is for a Judgment obtained before Robert M. Ely on the 23rd day of January 1860 by William Hoskins for the benefit of David Chadwell, with interest from the 28th day of September 1855 against Job B. Crabtree, William C. Colson, and John Colson Jr. for \$12.47 and 90 cts for Costs, and the Interest which has accrued thereon to the 1st day of January 1869 amounts to \$9.29.

It is thus seen that there are three parties in this Judgment and so far as the payment thereof is concerned all are Principals. It may be, however, that the said Job Crabtree is the principal, and the other two his securities. Now this is, I am not informed, but be it as it may the creditor has a right to proceed against anyone of them, and the said Job Crabtree being insolvent, and the other two Judgment debtors being dead, the plaintiffs may obtain payment of the same out of the assets of the said William E's estate, and it is a matter for his admr to look into whether his intestate has paid this debt as principal or as security only.

The one marked (D) is for a Judgment obtained in the County Court of Lee County on the 16th day of June 1868 by Robert Henson against J. W. Orr, admr. of said William C. Colson in an action of Assumpsit for Damages, and the Costs recovered by said Henson in said

suit amounts to \$20.75, and the interest which has accrued upon said Judgment to the 1st day of January 1869 amounts to \$67.25. From this Judgment of the County Court said admr. Orr took an appeal to the Circuit Court of Lee County, and on the 30th day of April 1869 the appeal came on to be heard when the Judgment of the County Court was affirmed, and the said Stenson adjudged his costs, amounting to \$6.79, which is allowed as Exhibit (E) with said statement (A-D) a copy of said Judgment being therewith filed, marked as aforesaid.

The one marked (F) is a Judgment for \$25.67 with interest from the 29th day of April 1860, and \$4.93 costs and the interest thereon to January 1st 1869 amounts to \$13.35, which Judgment was obtained by James B. Colson as admr. of John Colson D. dec'd vs. said Orr as admr. aforesaid in the County Court on the 21st day of March 1868.

The one marked (G) is likewise for a Judgment of the County Court rendered the 21st day of March 1868 in favor of James B. Colson, admr. of John Colson, against said Orr admr. aforesaid - for \$500.⁰⁰ with interest ^{on \$250.⁰⁰} from the 1st day of January 1861, and the like interest on \$250.⁰⁰ from the 1st day of January 1862, and \$4.93 costs upon which Judgment to the 1st day of January 1869 there is \$225.⁰⁰ interest. The notes upon which these Judgments were obtained were executed by James B. Colson in his lifetime to his father John Colson dec'd for a tract of land sold by the latter to the former, and the same constitutes a part of the assets in the hands —

of James B. Colson, admr. of the said John, and the said John having made a deed conveying to William E. Colson the legal title thereto, without retaining the vendor's lien, this judgment therefore stands on the footing of ordinary obligations, and does not give the estate of the said John any priority of lien.

The one marked (D) is for a Decree of the Circuit Court of Lee County rendered on the 27th day April 1869 by which James B. Colson recovered against said Orr admr. aforesaid \$161. 18, with interest upon the several sums therein enumerated, and the costs of suit amounting to \$19. 86

Those marked J. J. K + L. are for judgments of the County Court rendered on the 11th day of June 1868.

The 1st. in favor of Nathan E. Morgan for \$55.⁰⁰ with interest & costs; the 2nd in favor of James Stewart for \$20.⁰⁰ and interest & costs; the 3rd in favor of Henry C. Percival, assignee &c. for \$145.⁰⁰ with interest and costs; and the 4th in favor of George W. Hookins for \$35.⁰⁰ with interest & costs, all of which were obtained said Orr, admr. aforesaid, and the times from which they respectively bear interest is shown in the copies of said judgments, as also in said statement (AD).

Those marked M. N. O. P. Q. R. S. + T^{u + v} are all for notes or bonds, as set forth in said statement (AD) about which nothing further need be said, except that I may remark that the one marked (Q) is a note executed by William E. Colson & Richard Crabtree to Joshua

E. Ewing, the latter of whom is insolvent or at least it is so said. And the one marked (P) was executed by James B. Colson & William E. Colson Is Susanah Selkirk, now held by Joshua Ewing, whether the said Richard Crabtree and James B. Colson were security, of the said Wm E. or jointly with him in the objects for which they were given, I am not informed. This is a matter for the Adm. to Enquire into.

The Judgments and notes thus referred to, and set forth in said statement (AD) amount in principal to \$1442.76 and the interest thereon to January 1st 1869 together with the costs of obtaining said Judgments amounts in the aggregate to \$669.42, Principal, Interest & Costs therefore amount to \$2112.18, and James B. Colson, adm. of said John informs that he has another note against said William E. which he has failed so far to produce for about \$100.⁰⁰ for property bought at the sale of the said John, besides an account of some \$27 or \$30.⁰⁰ which he has not yet produced, but I do not know whether he will or can produce them. Should he do so, however, it will augment the outstanding debts to some \$230.⁰⁰ besides the costs of this suit, which will not fall far short of \$100.⁰⁰ taking into consideration the actual costs, and the sale of the said William E.'s land, and paying out the money. Taking, however, the claims now passed upon which amount \$2112.18, and if we estimate the costs of this suit at \$87.82, we will then have in round numbers \$2200.⁰⁰ as the outstanding debts

against said estate, and as before seen there is in the hands of said Orr \$194.97, and if the share of William E. Colson of \$204.53 due to his estate from that of John Colson dec'd should be realized, then we will have an aggregate sum of \$399.49 to be applied to the payment of outstanding debts, which sum ~~estimated~~ applied to the payment of outstanding debts will still leave a balance of \$1800.51 to be raised by the sale of the land of the said William E. Colson.

Besides the claims before passed upon D. William D. Ewing produced before me two medical Bills against the Estate of said William E. Colson, amounting in the aggregate to \$15.⁰⁰, to each of which he has made oath, before a Justice of the Peace, that they are respectively just and true, but as the said Wm D. Ewing is incompetent to testify in his own behalf against the decedent's Estate, and the same being wholly unsupported by any admissible evidence, they must each therefore be rejected, and the same I file herewith marked (AC)

One Rebecca Wolf also produced an account before me for \$19.⁰⁰ for 19 plugs of Tobacco, charged as having been gotten in June 1864. She too, like the preceding one, made oath before a Justice of the Peace in Tennessee that her said claim against said estate was just, after giving all just credits but she being also incompetent to testify her claim is therefore rejected for the same reason as the preceding one; and the same is filed herewith marked (AF)

Hiram C. Weisman also produced an account before me for \$11.85 against said Estate, to which he made oath before a Justice of the Peace. This, like the two preceding accounts, is also rejected and for the same reason; and the same is filed herewith marked (AG)

This, so far as I know, disposes of the matter referred to me by the Decree of Jan'y 19th 1869, under which I have been acting, and I know of no other special matter to be reported on, nor has any party to this suit or any person claiming any interest in the subject matter thereof, required any special statement at any hands. And having completed this Report, except the billing up of a few blanks, on and before the 10th day of July 1869, I therefore file this account and report on that day. All of which is respectfully submitted.

Henry J. Morgan, Court. &
July 10th 1869.

At the time of making out this general report, it will be remembered that I disallowed an account produced before me by Rebecca Wolf for \$19.⁰⁰ for the want of legitimate proof, and filed and marked the same (AF), since which time, however, she produced before me James B. Colson as a witness to prove the same, who made & filed his written affidavit touching the same, upon which I have allowed the said account & entered it in my statement of outstanding debts, and filed therein, marked (H) with interest thereon from January 1st 1865, which is likewise respectfully submitted. Report in City

To the Honorable Henry J. Hugan Judge of the County Court of Les. County, in Chancery Sitting.

By a former decree of this Court your Honor who was then a Commissioner in Chancery was appointed to take an account in this cause, which was accordingly done, and afterwards another order was made by the Court, referring this cause back to your Honor as Commissioner to hear proof of and report to this Court any additional assets or debts against said Estate not heretofore reported, but before this last order was executed by you, as Commissioner you was appointed to the Judgeship of the Les. County Court, and the undersigned was appointed a Special Commissioner, by a decree entered at the April Term 1870, in the room and stead of your Honor to perform all the acts and duties imposed upon the former Commissioner, And in pursuance of said Decree, I posted a notice on the front door of Les. Court House, and at two public places in the neighborhood of Decedent William C. Colson's residence, and took and stated the foregoing Supplemental account, and allowed the claims therein stated. The account due to Mr. H. Brent does appear to have been due in the year 1864, and may have been payable in Confederate money, but no evidence of this fact was produced before me, and the account is allowed at its nominal value.

The note due to William Hudson, and the note due to the Estate of Elijah Butler, were both executed by the said William C. Colson deceased, and others, but were nevertheless joint and several notes, and the decedent estate would be liable for the whole amount of each. The claim of Jones and Henry was founded on the affidavit of the loss of a note held by them in decedent, made by Jones one of the parties before a Justice of the Peace in the State of Kentucky, and this claim stands to have been executed by Decedent, in February or March, 1863, the consideration of which was for \$25.00 in Kentucky money and \$15.00 in Tennessee money, and the balance for goods bought in 1862, and the note was given for \$128.00 & some cents. I took the affidavit of James Jones as prima facie evidence of the existence of the note, but not to prove the consideration and scaled the debt down to \$28.44 & interest, making the amount stated in the account.

The accounts presented by William D. Cowin for \$500 and \$10.00 respectively, my account presented to J. M. Wheeler for \$600, my account of \$11.00 presented to A. C. Wierman, and my account of \$15.45 presented by Cowin & Bowles were not allowed, and filed with the exhibits marked and numbered from 8 to 11 inclusive. The principal sum in this supplemental account, due by the said decedent William C. Colson, is \$151.104, and the interest due on the same is \$25.104 of which of the Commission I set for taking the same \$5.00 with the account filed with the exhibits, making the total sum against the Estate in this

Supplemental account amounting to \$241.20 of the 19th day

I, James B. Colson, do swear that I was present
and heard William E. Colson, in his lifetime, pur-
chase of Rebecca Wolf nineteen plugs of Tobacco
for which he was to pay her \$1.00 per plug in
calico and domestic as well as I now remember, and
I am satisfied in my own mind, that the account
presented by Rebecca Wolf against the estate of William
E. Colson dec'd is just, and, in my opinion, unpaid.
And my recollection is, that this Trade was made
in the early part of the year 1864. So help me God.
